

**GOVERNMENT POLYTECHNIC, NARPALA**  
**ANDHRA PRADESH**

**REPORT ON INDUCTION PROGRAMME FOR FIRST YEAR DIPLOMA**  
**STUDENTS ADMITTED DURING ACADEMIC YEAR 2025-26**

As per the AICTE guidelines, a one-week Induction Programme was conducted by Government polytechnic students for the First Year Diploma Students (2025-26 Batch) from 21st July to 26<sup>th</sup> July, 2025.

**Objectives:** The objective of this programme is to make the students feel comfortable in the new environment, set a healthy routine, create bonding in the batch as well as between faculty and students, understanding of self and society.

Induction program began with Principal's address to all the new students in the presence of the head of the department. Information on the establishment of the polytechnic, working of the polytechnic, various programmes offered, approvals and affiliations, facilities and opportunities for the students for their all-round growth were highlighted. The students were then directed to visit their respective departments for a mutual introduction. The HOD introduced the faculty members of their department and the various courses the students need to undergo during their course of study, their time table, assistance provided and the laboratory work etc.

**Schedule:**

**Day-1: 21/07/2025 (Monday)**

Inaugural speech by Principal, Brief about college & staff branch wise followed by lunch. Department visits were provided in the afternoon session.

**Day-2: 22/07/2025 (Tuesday)**

The 2<sup>nd</sup> program began with a highly interactive talk on 'Universal Human Values' by Sri M. Vikramachari, Lecturer in Physics. In the afternoon session, motivational session was offered by Smt. B. Alivene, Lecturer in Mathematics.

**Day-3: 23/07/2025 (Wednesday)**

A highly interactive and fun-based stress and time management session by Sri. S. Somala Naik, Senior Lecturer in Mechanical Engg., in the morning session followed by the most useful career guidance given by Sri. K. Uma Sankar Reddy, Lecturer in English, in the afternoon session.

**Day-4: 24/07/2025 (Thursday)**

This session provided yoga and meditation techniques and insight to various calming techniques by Sri C. Raghavendra, Lecturer in Chemistry. The necessity of cleanliness of self and surrounding environment was explained by Smt. B. Adilakhmi, Senior Asst.

**Day-5: 25/07/2025 (Friday)**

Place visit was conducted on the 5<sup>th</sup> day of the programme to Substation, Narpala Anantapur District, with an aim to make the students familiar with industrial environment which will be further advanced as a part of their course. Students were led by Sri. C. Maruthi Prasad, Contract Lecturer in Electrical and Electronics Engg. accompanied by other faculty members. Later in the afternoon session, games and sports were conducted by Sri C. Raghavendra, Lecturer in Chemistry., cum PD.

**Day-6: 26/07/2025 (Saturday)**

Students were given ample time to interact with senior students and all their doubts were clarified by the student community. Afternoon session consisted of feedback session where all the students expressed their satisfaction about the whole programme.
